

We want to publish your favorite local recipes!

The Museum is collecting recipes from the Yampa Valley to be published in a spiral bound cookbook to be sold in support of the Museum. Each recipe that is selected will show the name of the contributor.

Please submit to us 3 or 4 of your favorite recipes as soon as possible.

The focus of the cookbook is on the Yampa Valley. We are specifically looking for:

- recipes using game meat
- original family recipes
- settler recipes
- recipes for local grown items
- or items incorporating local edible plants that can be gathered via foraging.

Just print or type your favorite recipe on the back of this recipe form (please use the easy to follow format). Grab or print extra copies as you need them. Be sure to put a title on your recipe. Use only one recipe per form. If the recipe is too long, staple two forms together.

Please return your recipes to our Registrar or Assistant Registrar in person at the museum or via email: sarbon@ci.craig.co.us. Recipes are due by October 29th 2021.

We have selected FUNDRAFT, the largest and oldest cookbook publisher in the country, to produce our book if we receive enough recipe submissions that meet the above requirements.
